

# REGISTER NOW FOR ONLINE FARLABS SPACE EVENTS 2025

- STEM Education online Events ran by scientists and education specialists over 1 day or over 4x 1hr sessions.
- Presentations by Dr David Hoxley FARLabs and Dr Connie Darmanin FARLabs at La Trobe University.
- Students conduct FARLabs experiments then design and construct models to limit the effects of Space on human health.
- Students present creations to experts online.
- Potential to collaborate with International students within Australia and Japan.

Register your interest [here](#) or contact Dr Darmanin via email, [c.darmanin@latrobe.edu.au](mailto:c.darmanin@latrobe.edu.au)
